Chariton Courier.

A WORD

I desire to call the attention of the people of Chariton and adjoining Cour ties to the fact that I have just returne from the Eastern Cities, and am now in receipt of the Largest and most Varied Stock of STAPLE and FANCY DRY GOODS, both FOREIGN and DOMES-TIC, that it has ever been my pleasure to show, which were all bought of the largest Importers and Manufacturers in the Union, at prices far below their present market value, and which I pro pose to sell FOR CASH at correspond ing figures, notwithstanding the recent great advance in all classes of goods.

I claim to be able to sell Better and Cheaper Goods than any other mer chant in this section of the State; and now propose to tell the public how it is that I am able to do so.

This is the way of it: Regularly a others besides myself enter the Eastern slarkets, and One Man does the Buying for All, and the Goods are afterwards divided out amongst us. Buying, there fore, in such lots, from First Hands, For Cash, I am of course enabled to get my Goods Cheaper than any other mer chant who buys for himself alone; and l offer my customers the Full Benefit All the Advantages that I obtain.

I present this season an Absolutely Overwhelming Series of Bargains in Every Department of my Stock, but few of which I am able to enumerate in this advertisement. Call and see me I can Saye you Money on Any Article

WM. ROSENSTEIN

large knob kerrie with me with which paw on me and lifted me up. The brute pressed his claws into me, but luckily my leather belt prevented his teeth from amaging me, and he carried me, holdng on to my belt and coat. If either of these had given way I should have been laid hold of in a far more rough manner. A lion is like a cat in one thirg— he can hold a live creature in his mouth and not damage it, just as I have seen a eat carry a mouse. I knew the nature of the lion well enough to know that if I struggled I should have my neck broken r my head smashed in an instant, so I did not struggle, but quietly drew my knife and thought what was best to do. thought at first of trying to strike him in the heart, but I could not reach that part of him, and his skin looked so loose that I could not strike deep enough car-ried as I was. I knew it would be life or death with me in an instant, so turning myself a bit, I gashed the lion's nose and cut it through. The lion dropped me as I should drop a poisonou snake, and jumped away roaring with pain. He stood for an instant looking at me, but I did not move, and he did not seem to like to carry me again More than once he came up to within a ew yards, licking the blood as it poured reopened by a statement from Gov. Sprague
